Subject: WY RH Final Notice Review
wyomingSIP-FIP-legalsection 12-12-13.docx

Paul

Following up on your phone calls to Callie and me, Callie and I are concurrently reviewing various sections of the draft WY RH notice. I will be looking at the modeling section tonight to see how we address the background NH3 comments.

There is a fairly lengthy legal section that you may want to take a look at. I have attached the file.

Thanks

Carl Daly
